

National Healthy Homes Training Center and Network

National Center for Healthy Housing (NCHH) Staff Responsibilities

- Susan Aceti – saceti@nchh.org / 443-539-4153
 - Responsible for:
 - Direction and management of Training Center;
 - Lead on courses not otherwise assigned below;
 - Discuss *Healthy Homes for Community Health Workers* course; and if you cannot reach Laura Titus or Chris Bloom and have an urgent issue.
 - Contact Susan if you have concerns or ideas about any aspect of the Training Center.
- Rebecca Morley – rmorley@nchh.org / 443-539-4159
 - Responsible for NCHH including Training Center;
 - Contact Rebecca if you have concerns or ideas about the direction of the Training Center.
- Laura Titus – ltitus@nchh.org / 443-539-4161
 - Responsible for administration of training including course scheduling, materials, and evaluation. Contact Laura to:
 - Schedule a course;
 - Update or correct the website;
 - Ensure appropriate number and type of course materials and trainer supplies are delivered on time;
 - Track down course materials;
 - Deliver course roster and evaluation forms; and
 - Identify opportunities to improve the course administration.
- Judith Akoto – jakoto@nchh.org / 443-539-4167
 - Responsible for course evaluations, credentials, and continuing education credits. Contact Judith with questions about:
 - Course evaluations;
 - Post-training survey;
 - Credential visual assessment exercise; and
 - Continuing education credits for courses.
- Chris Bloom – cbloom@nchh.org / 443-539-4154
 - Responsible for supporting Laura Titus on delivering course materials and training supplies. Contact Chris when you cannot reach Laura about delivery of course materials or training supplies.

Building a healthy home environment for all children
